Docket No. UF-T397XC1 Serial No. 09/787,144

In the Claims

Claims 1-14 (Cancelled)

Claim 15 (Currently amended): A method for reducing <u>surgical</u> adhesion formation, comprising administering a therapeutic formulation comprising TIMP-1 antibodies, or Fab fragments thereof, to a patient at risk of <u>surgical</u> adhesion formation, wherein the therapeutic formulation is administered in an amount effective to reduce the <u>local level of TIMP-1</u> and <u>surgical</u> adhesion formation.

Claim 16 (Previously added): The method of claim 15, wherein the therapeutic formulation comprises TIMP-1 antibodies, and wherein the TIMP-1 antibodies are monoclonal antibodies.

Claim 17 (Previously added): The method of claim 15, wherein the therapeutic formulation comprises TIMP-1 antibodies, and wherein the TIMP-1 antibodies are polyclonal antibodies.

Claim 18 (Previously added): The method of claim 15, wherein the therapeutic formulation further comprises a suitable carrier.

Claim 19 (Previously added): The method of claim 18, wherein the carrier is hyaluronic acid.

Claims 20-22 (Cancelled)

Claim 23 (Currently amended): The method of claim 15, wherein the <u>surgical</u> adhesion is a peritoneal adhesion.

Claim 24 (Cancelled)
